

Gothic Majuscules Supply List

Saturday, May 9 at North Tempe Multigenerational Center | 10:30am

- Pilot parallel pen and one or two ink cartridges (If you'd rather use a favorite broad-edged nib, feel free; handouts will be for the 3.8mm pen but you can draw your own guidelines using the nib-width method.)
- A semi-see-through bond paper like Canson or Layout Translucent Visual Bond (to place over the guidelines and for practice paper)
- A ruler and pencil (to draw your own guidelines) (optional)
- A piece of smooth-ish watercolor paper for the quote (optional)
- A compass or round template (optional - for writing on an arc or circle)
- A tin of watercolor paints to experiment with color-blending your letters (optional; you'll need to clear your pen nib of its cartridge ink or bring a separate clean pen to do the watercolor blending).

Not to worry if you can't find these items or have difficulty packing for the meeting. Just show up. We've got you covered!

You might also want to bring:

- A nametag so we can learn your name!
- Drinking water
- Your lunch
- Snacks
- Show and Share items
- Items to give away
- A sweater if you get cold in AC!
- A cushion to soften or elevate the chair seat
